Will do. We are going to have to divide and conquer this with the team as we have a presentation to the CPC board that conflicts, but we'll prioritize have the right people on this call and work with Amy and the team to prep.

Thanks very much,

Andrew

Hi Doug,

Niina has revised the Summary Excel (attached) to tidy up the categorization between divisions for better comparison on the ops budget, which has allowed her to add comments for context in the file. She's also added Tim's legacy description in a new tab to keep it all together, and a change log from the last version in another tab.

Now dated 2022 07 06.

Hi Kim,
I had this on my list for us to ask you about next week but it came up when Doug called after ADMC with some follow-up discussion on FLNRO and EMBC.

I meant to copy you on my reply.

Andrew will be at this one to talk about governance as I have to do an engagement session. I'll answer as tentative to keep it in my calendar in case the engagement session changes.

Cheers.
