Hi Jocelyn,

Thank you for your response. Is there any chance April 14<sup>th</sup> from 9:00-11:00am in Vancouver could work for Chief as well? That is the date that all participants are able to make. If not, we will need to go back to the drawing board as April 5<sup>th</sup> is now too close to schedule, and had the least availability responses from all other participants.

Thank you,  
Ashley

**Subject:** Technical Briefing - 2030 Winter Olympic and Paralympic Games - Friday April 14 @ 9:00am

I am emailing in advance of our technical briefing on Friday April 14, 2023 and specifically as follow up to requests I received from Chief Nelson to include the Canadian Olympic Committee (COC) and the Canadian Paralympic Committee (CPC) in the meeting, to receive materials in advance and for confirmation on whether Minister Popham will be in attendance at the meeting.

We acknowledge that the COC and the CPC played a critical role for the Host First Nations in the development of the Hosting Proposal and that there were key staff within the COC and CPC who supported the Host First Nations with technical expertise. Accordingly, we are happy to include those technical resources. We will extend the invitation to Andrew Baker, Mary Conibear, Matthew Bongiorno from the COC and Brian Edey from the CPC.

Materials are being finalized and will be shared with all participants on Thursday April 13, 2023.

As for Minister attendance at the meeting, this is a technical briefing and the meeting will be led by myself with support from other government team members and Ministers will not be in attendance.

Sincerely,

Neilane Mayhew  
Deputy Minister
