Thank you for your application for funding under the New Building Canada Fund - Small Communities Fund (NBCF-SCF). After careful consideration, the above noted project was not selected for funding.

The program received significantly more applications than could be funded. This decision does not reflect on the importance of this project, but rather the degree by which the program has been oversubscribed. All applications were equitably reviewed and given consideration for funding.

The NBCF-SCF program will have a second application intake. The date of this intake has not been determined. Additional program information can be found at the NBCF-SCF website at: www.gov.bc.ca/smallcommunitiesfund.

If you have any questions, please do not hesitate to contact «Ministry_Contact».

Thank you for your interest in the NBCF-SCF. I wish you every success with your community project.

Yours truly,
