It appears that no individual fares are collected from the passengers nor are the transportation services on a time schedule. If this statement is incorrect, please let us know.

Based on the information provided in your e-mail dated December-18-13 10:39 AM, this type of service would fall under a general authorization licence as it doesn't appear to meet the following definition of an Inter-City Bus as defined in the Passenger Transportation Act.

"inter-city bus" means a commercial passenger vehicle when it is operated

- (a) on a set time schedule
- (i) between a prescribed municipality and another location outside the municipality, whether in British Columbia or not, or
- (ii) between a location in a prescribed regional district and another location inside or outside the prescribed regional district, whether in British Columbia or not,
- (b) for individual fares.
- (c) over a regular route, and
- (d) between fixed terminating points, picking up or dropping off passengers at intermediate points as necessary,

If there are <u>any</u> changes to the passenger transportation service to be provided, you are required to contact the Passenger Transportation Branch.

Thank you.

Subject: Charter Bus Service added to PT 71943

Hi Deb:

With countless of meetings with Grant, Myself and Reverstoke Mountain Resort we finally have a plan in place to move. Seeing the wholesalers that Revelstoke Mountain resort deals with on a constant bases throughout the year, and flights are basically at different times and days. I would like to offer Revelstoke Mountain Resort the coach in a Charter setup. Revelstoke Mountain Resort would call myself direct to make arrangements for a pickup at Calgary International Airport to take clients back to Revelstoke, BC. This would also be in reverse also pickup clients at Revelstoke, BC and deliver them to Calgary International Airport. this would be utilizing my 56 passenger coach.

Also Revelstoke Mountain Resort has been in contact with Big White Ski Resort in Kelowna, BC and they are in planning stage of moving large groups into Revelstoke also, I would also utilize my 56 passenger coach for these trips.

Revelstoke to Kelowna \$1,099.00 one way

Revelstoke to Calgary Airport \$2,399.00 one way

Revelstoke Mountain Transfers and Tours Ltd will invoice Revelstoke Mountain Resort on a monthly bases for trips performed.

i hope this is satisfactory for operating these above mentioned charter trips under my General Authorization.

Yours Truly;

Jack McKinnon

I would like to document how I believe this operator may be doing trips/transfers outside of his license and against his terms and conditions. On March 23, this ticensee drove to Mica Helisking heli staging area which is 150km north of Revelstoke BC at 2 00 pm and picked up 3 guests of Mica Heli and drove them to Kelowna airport. I believe this is a breach of his license because this would fall under his Special Authorization and his restriction shows that he may only pick up 'registered guests of Revelstoke Mountain Resort and it's affiliates'. Mica Heli Skiing is not affiliated with RMR in any way whatsoever. This top also did not originate in or finish in Revelstoke, BC which is another condition on his license.

On the same date of March 23, licensee number 71742 - Exclusive Mountain Transfer picked up 4 guests of Mica heli skiing at the Revelstoke Airport, Arrow Helicopters Hangar and transferred them to the Kelowna International Airport. I believe again that this trip falls under a Special Authorization license and that the guests were not in any way registered guests of Revelstoke Mountain Resort which is in breach of his license terms and agreement.

I have received an email dated February 24th from a CMH Helisking guest who required transport from their lodge near Mica Creek to Kelowna. This was a one passenger trip not originating in the City of Revelstoke, BC. The client requested a rate to compare and I did not do the trip in the end but I do not know if Exclusive Mountain Transfer did either. The point is, I believe he is offering trips that are outside of his license terms and conditions. Less than two passengers, outside of Revelstoke and not a guest of RMR.

This licensee also offers 'in town' flat rate transfers from any of the RMR venues he has listed but it's known in our small community that he does these trips from any location and to any location.

At this point. Dave I have forwarded your contact information to another operator which is under the name of Revelstoke Connection. They will

In closing, I would like to just point out that I have a Special Authorization license only and this is because th General Authorization didn't allow for the trips that I wanted to do. The trips are considered 'Passenger Directed'. That is why I am so closing scrutinizing another operator who has very clearly stated restrictions on his license to operate here. I believe this is done by the PT Branch so that each licensee has a clear definition of their operating terms and can therefore make an attempt at a successful business,

Thanks very much again and I look forward to hearing from you

Hi Grant

Thanks for talking with me today. Please respond in writing by April 16, 2013 to the following complaints and explain what vehicle you used and what part of your licence.

#### Complaint 1:

I would like to document how I believe this operator may be doing trips/transfers outside of his license and against his terms and conditions On March 23, this licensee drove to Mica Heliskiing heli staging area which is 150km north of Revelstoke BC at 2 00 pm and picked up 3 guests of Mica Hell and drove them to Kelowna airport. #### Complaint 2:

On the same date of March 23, licensee number 71742 - Exclusive Mountain Transfer picked up 4 guests of Mica heli skiing at the Revelstoke Airport, Arrow Helicopters Hangar and transferred them to the Kelowna International Airport. I believe again that this trip falls under a Special Authorization license and that the guests were not in any way registered guests of Revelstoke Mountain Resort which is in breach of his license terms and agreement

#### Complaint 3.

I have received an email dated February 24th from a CMH Heliskiing guest who required transport from their lodge near Mica Creek to Kelowna. This was a one passenger trip not originating in the City of Revelstoke, BC. The client requested a rate to compare and I did not do the trip in the end but I do not know if Exclusive Mountain Transfer did either. The point is, I believe he is offening trips that are outside of his license terms and conditions. Less than two passengers, outside of Revelstoke and not a guest of RMR.

In regards to your complaint (2013-00033) the Passenger Transportation Branch has found that the alleged offences were done under PT Licence 71742 (owner Grant Fuoco) This licensee has authority to make these trips under their General Authorization Licensee (Part A).

The vehicles used for these transportation services were 15 passenger vans. The threshold for vehicles operating under General Authorization is 13 passengers (that includes the driver) .

Hi again Dave.

Thanks for getting back to me I must admit I'm confused that he can make those trips. When I applied to do those trips I was told it had to be under a special authorization. I thought a general authorization covered tours or scheduled regular trips

Is there anyone at the board you recommend that could explain this to me?

Thanks so much for your time.

What makes the difference in this situation is the seating capacity of the vehicle used to provide the transportation services. A vehicle that can accommodate 13 persons (includes the driver) is operated as a General Authorization vehicle. A vehicle that can accommodate 12 persons or less (includes the driver) would require Special Authorization Licence. I hope this clarifies the matter

Dave Birchmore

April 10, 2013 email received from \$.15,s.22

Hi Dave.

Yes, thanks that does clarify.

So as for trips that are in his SUV, I would assume the restrictions apply and he isn't supposed to be taking a single passenger, from operations that are not part of RMR and its venues.

I apologize for being so nitpicky but this is a small community and to protect my business I have to be on my toes. And this operator is known to be underhanded and unfair with his business practices.

I really appreciate your help

Subject:

General Authorization for Revelstoke Mountain Transfers @ Tours Ltd.

Hi Donna;

As per our conversation today about General authorization part of Exclusive Mountain Transfers ltd. being given to Revelstoke Mountain Transfers @ Tours Ltd.

As Revelstoke Mountain Transfers @ Tours Ltd will be taking over contract with Hallcon Crew Transport for the movement of CP Rail crews in the Revelstoke area is there any way that the approval can be expedited, as CP Rail crews are being transported in R-Taxi vehicles when Hallcon cannot provide service and s.22

Jack and myself our in discussions with Hallcon direct on when General Authorization will be transferred as they cannot keep up with overflow of CP Rail crews being moved between Revelstoke and Field, Revelstoke and Kamloops, Revelstoke and Golden plus all intermediate crew change-offs. Hallcon needs this service as their secondary carrier, as I was providing the service at one time but my contract was cancelled between Hallcon and Exclusive Mountain Transfers Ltd because of my ownership of EMT and \$.22 it was found to be a conflict of interest.

Now that Mr. Jack McKinnon has formed Revelstoke Mountain Transfers & Tours Ltd, and has been in several meetings both with Hallcon and CP Rail his services are now required to take the place of EMT. With this RMTT will be leasing vehicles from EMT, to provide service to Hallcon (CP Rail) in the Revelstoke area. Jack McKinnon was born in Revelstokes.22 s.22 in Revelstoke and is well up on our roads and conditions that we as Revelstokians experience.

they have all commented on the level of service that has been losted since EMT was relieved of their duties, since this our Health and Safety department has been flooded with taxi exception reports \$.22 \$.22

I ask if The Registrar would be able to expedite the licence transfer for the reasons list above.

Thank You for your time in the above matter,

Grant Fuoco

I. Introduc	tion & Background PASSENGER TRANSPORTATIO	N E			

This is an application to transfer a special authorization passenger transportation licence from Grant Joseph Herbert FUOCO to Revelstoke Mountain Transfers & Tours Ltd. Currently, Mr. Fuoco is authorized to operate 4 passenger directed vehicles. The originating area is from any point within the City of Revelstoke. This licence also has a service limitation as to whom the transportation service may be provided.

The transferee, Revelstoke Mountain Transfers & Tours Ltd., has a general authorization licence, PT 71943, with Jack McKinnon as the sole principal.

The application material included a business plan with financial information, service description, and disclosure of passenger transportation ownership and disclosure of unlawful activity and bankruptcy forms.

#### II. Relevant Legislation

Division 3 of the Passenger Transportation Act (the "Act") applies to this application. The Act requires the Registrar of Passenger Transportation to forward applications for Special Authorization licences to the Passenger Transportation Board (Board). Section 28(1) of the Act says that the Board may approve a transfer application if the Board considers that the applicant is a fit and proper person to provide that service and is capable of providing that service.

#### III. Reasons for the Board's Decision

(a) Is the applicant a fit and proper person to provide that service and is the applicant capable of providing that service?

The Board looks at fitness in two parts:

- (i) is the applicant a "fit and proper person" to provide the proposed service; and
- (ii) is the applicant capable of providing that service?

Revelstoke Mountain Transfers & Tours Ltd. was incorporated in May, 2013 with Jack McKinnon as president.

The transferor, Grant Joseph Herbert Fuoco, began operations in March, 2009 and established the current transportation services to Revelstoke Mountain Resorts. He will continue with the transferee as an advisor and driver with general operation duties.

I find that the transferee is a fit and proper person and capable of providing the authorized service in the Revelstoke area.

The applicant completed the disclosures forms as required.

#### IV. Rates

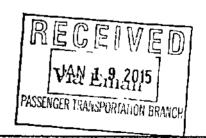

The rates are the same as the rates approved for the licence transferor.

#### V. Conclusion

For the reasons above, this application is approved.

I establish the activation requirements and terms and conditions of licence that are attached to this decision as Appendix I. These form an integral part of the decision.
