Hi Grant. I hope you are well and have had time to enjoy summer.

I would like you to meet my clients, MDA Systems, a Technology company with BC HQ and \$4B annual revenue.

They have expertise in business transformation for land management systems. I have introduced them to a number of DMs and other BC officials over the summer.

Do you have time for a 1/2 hr mtg Sept 20, Oct 20 or 26? If those dates don't work other dates end of Sept or in Oct may work.

Best Regards,
Don

Hi Jennifer. Hopefully things will slow down now that the Leg is risen for the summer.
A short Telecom Aug 4 -6 would be great.

Hi Don,

Sorry – I had assumed that a call was set up already.
So since our email exchange, Grant has returned for a week or so
before s.22 I have sent your request to both him
and Lindsay to see who may have capacity to chat with you over
the next few days. You should hear back from us shortly.

Hi Jennifer. Would it be possible to have a Telecom with Lindsay
tomorrow? If that doesn't work how about early this coming week?

Hi Grant. I hope all is well and
you're not working too hard.
I Would appreciate a 15-20 minute
Telecom with you this coming week.
My clients MDA Systems have met
the DMs on the Nat Res Bd to make
them aware of their expertise in land
management and surveillance
systems with auto integrated
decision making. They do this in
many countries around the world.
Gross revenue is over \$2B and they
are HQ here but are virtually
unknown in BC.

Best Regards,
Don
