**Subject:** Recognized Products List - AltaCrete ST

Hello Daryl Finlayson,

I was looking at the recognized product list for British Columbia online at [https://www.th.gov.bc.ca/publications/eng\\_publications/geotech/Recognized\\_Products\\_Book.pdf](https://www.th.gov.bc.ca/publications/eng_publications/geotech/Recognized_Products_Book.pdf) and I noticed that the name has not been changed from Infracrete (1081) to AltaCrete ST **SUBGRADE BASE**, Page 79. I understand this may take some time however I just wanted to check in and make sure that it is still in the works, we have upcoming projects in BC and we are wondering if you could draft a letter for us stating that AltaCrete is in fact on the product list so that we may secure these contracts. Please if you have any questions please feel free to get back to either Wilf or myself.

Thank You,

James Seely
