Hi Jacqueline,

We'll make an exception for the Minister's 8am meeting tomorrow but please note that we'll need more than a day's notice should the minister need room at PVO outside of regular hours (9-5). This is to ensure that staff will be on site to let the Minister and her guests in. Please let me know if you have any further questions.

Additionally, moving forward, please only contact Danny with copy to me about room bookings as Danny will become the permanent support staff at PVO. Many thanks in advance.

Best,
Romeo

Dear Mayor Brodie: *Malcolm*

Re: George Massey Tunnel Replacement Project

I am writing to follow up with you on our recent meetings to discuss the George Massey Tunnel Replacement Project and the concerns outlined in the City of Richmond report titled "George Massey Tunnel Replacement – Preliminary Assessment of Alternative Crossing Options." I am also responding to your letter of July 25, 2017, addressed to Premier John Horgan, sharing Richmond Council's resolutions regarding the project.

We have heard the concerns raised by Metro Vancouver and many residents about the idea of building a 10-lane bridge to replace the George Massey Tunnel and the costs associated with such a large project.

The ministry is proceeding with an independent technical review of the George Massey Tunnel corridor to ensure we are making a decision that is best for the region and the province, reflects the views and vision of Metro Vancouver, and gets the best value for the public's dollars.

While the review is underway, I will engage with you and the other mayors from Metro Vancouver to gather perspectives on the project.

I look forward to continued discussions as we progress on this important matter.

Sincerely,

Claire Trevena
Minister
