Hi Jacqueline,

s.13  
MLA Simons has been talking with the Ministry of Health about including ferry-dependent communities when looking at being done by your office. Can we add this to the agenda for the meeting on the 8<sup>th</sup>?

Thanks,

Tamara

Hi there,

MLA Simons would like to arrange a meeting with Minister Trevena and ministerial staff to discuss a few topics.

Specifically:  
Bike Lanes in Sechelt;  
Pender Harbour;  
Langdale Ferry;  
and Midgley.

We can be very flexible in terms of date and time and a teleconference meeting is fine if the Minister won't be in Victoria much before the start of session.

Thank you for your time,  
Tamara

Hi Derrick & Alisma Here is the IB and QA on the Sunshine Coast fixed link study results, written by Craig Chambers.

We understand that MLA Nicholas Simons has been briefed, and would like the IB released late Thursday or Friday morning.

Are you OK with the following approach? - Have the MLA conduct an interview with the Sunshine Coast newspaper on Thursday, and then issue the IB on Friday AM?

We can also arrange to have the report published on the ministry website at [www.gov.bc.ca/sunshinecoastfixedlink](http://www.gov.bc.ca/sunshinecoastfixedlink) on Friday morning.

Please let us know if this approach works.

Hello Minister Trevena,

I wanted to provide you a quick update on the status of the Integrated North Shore Transportation Planning Project (INSTPP). Please see my report attached.

Thank you for appointing me as BC MOTI's designated representative to the Steering Committee. You will need to appoint an alternate for the Steering Committee in case the original designate is unable to attend. It may be another elected official or could be a staff member. Please note that the Steering Committee is meant to be a link between INSTPP and the governments each member represents so it is a political body.

I have also included the Terms of Reference for INSTPP, which will be updated shortly for the reasons described in the Status Report.
