Yes, please provide TIC final copy.

And please advise the protocols and messages for communications strategy.

Thank you,
Irene

Subject: Pmh1 review - foi release

Lisa

As discussed, mof will be releasing the pmh1 review report at the end of next week. The report will only be released to the foi requester and cbc (if they are not the foi requester).

There will be three documents to be released: the full report, the layperson language summary report and the management response.

s.13

Dallas - could you please provide summary report to everyone on this email for the record. And can you keep track of this and set up time with Grant early next week to review. Note that the management response final will need to be signed by amanda irene and myself.

Irene - I am assuming final version would need TIC approval as well?

Thanks everyone

Patrick C. Livolsi, P. Eng.

ADVICE TO MINISTER

<p>CONFIDENTIAL ISSUES NOTE</p> <p>Ministry of Transportation and Infrastructure Date: Final Minister Responsible: Claire Trevena</p>	<p>TI Corp</p> <p>PMH1 Independent Review</p>
--	---

ADVICE AND RECOMMENDED RESPONSE:

- **Hard-working British Columbians deserve a government that makes sound infrastructure decisions based on the needs of people.**
- **We take allegations of financial misconduct in any provincial infrastructure project very seriously.**
- **That's why government committed to undertaking a review of the Port Mann Bridge project after media reports of allegations of financial mismanagement.**
- **That review is now complete and we'd like to thank the consultants for their report and feedback.**
- **The independent reviewer found that the Port Mann Bridge project was well managed, generally met industry standards and followed best practices.**

s.13

- **Best practices in project management of large-scale capital projects continuously evolve and we are always looking at ways we can improve our accountability and oversight.**
