BUSINESS PLAN

PASSENGER TRANSPORTATION BR
COQUITLAM, B.C.

Greyhound Canada's recent announcement that they will no longer be servicing Western Canada, effective October 31, 2018, will leave many rural towns with no bus service to larger city centers. The West Kootenay region of British Columbia, which includes Nelson, Trail, Castlegar and Grand Forks, will be negatively impacted by the cancellation of Greyhound Canada's bus service.

Throughout my eight years of owning Silver City Stagelines Ltd., I deeply understand how valuable it is to have a reliable means of transportation from the rural towns in the West Kootenays to Kelowna, British Columbia. There is a great need in these rural communities for this service to Kelowna; whether it be students returning to university/college in the Okanagan region, individuals requiring medical services that are not available within the West Kootenays, or senior citizens who are unable to safely drive.

Silver City Stagelines Ltd. will be applying to add a bus route from Trail to Nelson to Castlegar to Grand Forks to Rock Creek to Kelowna and a return route from Kelowna to Rock Creek to Grand Forks to Castlegar to Nelson to Trail.

s.22

Silver City Stagelines Ltd., I have been operating the business and driving full time for eight years. I plan on continuing being the primary driver for this proposed route; therefore, costs will be lower due to lower employee costs. Additionally, the company does not

s.21

to employees which contributes to lower overhead.

I anticipate operating Monday to Saturday with no service on Sunday due to low ridership on Sundays. Silver City Stagelines Ltd. fully owns a 2011 Mercedes-Benz Sprinter Passenger Van that seats twelve people and the company is also leasing a 2018 twelver passenger Mercedes-Benz Sprinter Passenger Van. Therefore, we will not be driving a larger bus which requires more passengers and higher gas consumption to successfully ensure profit and with having two buses there would be a back up in case of mechanical repairs on either bus. Additionally, the 2011 Mercedes-Benz Sprinter would be used during the Christmas season, December 18th to January 4th, in order that we are able to accommodate up to twenty-two passengers each way.

In addition, the proposed bus route will operate on a reservation model through our website, where customers will be able to pay online and reserve their preferred seat. Moreover, the route plans

to set up its drop off and pick up locations at convenient and central locations within the town such as gas stations or fast food restaurants. This will also give customers a chance to use the restroom and purchase food and drinks. Once approved by the British Columbia Ministry of Transportation and Infrastructure, we will begin securing the drop off and pick up locations.

Silver City Stagelines Ltd. is not in partnership or alliance with any other transportation companies and is not providing any other services that involves passengers. Additionally, there will not be any freight transportation on this route.

Silver City Stagelines Ltd. is applying under the "Urgent Public Need" process.

SILVER CITY STAGELINES LTD.

Silver City Stagelines Ltd. is an incorporated business in Trail, British Columbia. The main source of revenue is from the interline service in partnership with Greyhound Canada that operates from Trail, British Columbia to Castlegar, British Columbia twice daily. This interline contract has been operating successfully since 2003. Having access to data regarding passenger history since 2003 has allowed Silver City Stagelines Ltd. to have an in-depth knowledge about the needs of this service in the West Kootenays. Silver City Stagelines Ltd. is a well established and respected transportation company in the region, which would make it the perfect company to operate a bus route from communities in the West Kootenays to Kelowna, British Columbia.

The safety record of Silver City Stagelines Ltd. is excellent with no history of accidents and no roadside breakdowns. The current Mercedes-Benz Sprinter Passenger Van is regularly serviced at a local mechanic that focuses on European vehicles, which ensures that proper diagnostics and maintenance is performed.

s.21

Additionally, Silver City Stagelines Ltd. has no turn over of drivers which allows the company to provide constant and safe transportation. All of the employed drivers have a Class 1, 2, and 4 driver's license; therefore ensuring competent and reliable transportation year round. Silver City Stagelines Ltd. maintains a general, special, and ICB license with the British Columbia Ministry of Transportation and Infrastructure.

Please explain:

☐ Include or add "Engaged Carrier" authorization to operate Inter-city buses for another ICB operator.

Use the space below if you want to make any other requests regarding ICB operations. Is there something you want the Board to know about your planned operations?

The Trail-Nelson-Kelowna-Trail route would be operated on a reservation only bus route, with a New 12 passenger Mercedes Sprinter Bus. We also have a older 12 passenger Mercedes Bus as a back up, and would also use that Bus for the Christmas season (Dec. 18 - Jan. 04), so we could handle up to 22 passengers each way. We would not handle freight on this route!

Dear Silver City Stagelines Ltd.:

RE: Reference Number: 2361/18

The application you recently submitted to this Branch cannot be processed until the following matters have been addressed:

This letter is a follow up to our telephone conversation this morning.

1. Special Authorization Licence Application form (PTR 5010)

Revise the following sections on the form:

- a) Section 1: The legal name of the applicant is an incorporated company; therefore, the "Full Name of Legal Entity" should be selected and the checkmark beside ^{s.22} removed. ✓
- b) Section 2: As it does not appear you have a trade name (e.g. a name used for advertising other than the legal name of the company), please remove the legal name of the company from this section. ✓

2. ICB Application Summary (Board Form 7)

- a) Page 1: Remove the "X" from the section titled "Special Authorization (to operate passenger directed vehicles)" as this application is only to add an ICB route and ✓ eliminate the existing route.
- b) Page 2: Add a checkmark to "Eliminate an Existing Route or Route Point" as you have advised me that you would like to eliminate the existing route 1. Also, add ✓ "1" to "How many routes or route points do you want to eliminate".

3. ICB Route Worksheet (Board Form 8)

Complete a new worksheet, but leave out the times. ✓

Reference Number: 2361/18

4. Submit a Sample ICB Time Schedule

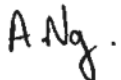

Please comply with the above and return all relevant documentation so that we can process your application as quickly as possible.

If we do not receive the required information/documents by **August 19, 2018**, your application will be forwarded, as filed, to the Passenger Transportation Board for their review. Please note the application filing fee is non-refundable. This directive is pursuant to Section 4(1)(c) of the *Passenger Transportation Act* which authorizes the Registrar of Passenger Transportation to make Rules of Procedures.

Further information on Registrar's Rules and other passenger transportation processes and application forms can be viewed on the web at www.th.gov.bc.ca/rpt or you can call the Passenger Transportation Branch at 604.527.2198 if we may be of any further assistance.

Thank you for your immediate attention to this matter.

Regards,

Anne Ng
