**Subject:** Follow-up and meeting request | Feb 19 | Victoria

Hello Deputy Minister.

Hope all is well. We met last November with my Oil and Gas colleagues on the LNG Canada project.

Have a meeting booked in Victoria with Transportation and Infrastructure Minister Claire Trevena, on Tuesday February 19 at 9 am. Not sure if you will be in the meeting so wanted to first make sure that you knew about the meeting.

If the meeting is to be with the Minister only, I was wondering if you might have 30 minutes or so later that morning to meet with Francois Morton, Executive Vice President, Infrastructure Engineering; Jussi Jaakkola, Vice President, Investment Development and myself.

It's Budget Day in BC. So this is obviously a longshot, but if you have some time possibly in the morning, it would be great to bring Francois and Jussi by to introduce them and talk about our Infra priorities in BC in greater detail. Guessing that you will be in the lock-up in the late morning to early afternoon to provide budget advice and consultation.

Many thanks in advance for considering and look forward to hearing from you.

Good morning, Charly and Leah.

I am writing to introduce myself and to re-confirm a meeting with Minister Trevena.

My name is Sam Boutziouvis and I work for SNC-Lavalin in the area of Government Relations.

A meeting has been set up between SNC-Lavalin and Minister Trevena for 9 am on Tuesday February 19, 2018. Could I please re-confirm the time, date and location with you? Assume that the meeting will be in the main Legislative Building in Victoria. Please provide the floor and room number. In particular, as it is Budget Day in BC, just wanted to nail down a few details, in so much as that is possible on Budget Day.

Accompanying me will be Francois Morton, Executive Vice President, Infrastructure Engineering, and Jussi Jaakkola, Vice President, Investment Development, both with SNC-Lavalin.

Messrs. Morton and Jaakkola will be travelling from Vancouver, likely on the day, and I will likely be coming from Ottawa the day before.

Many thanks in advance for your consideration and look forward to hopefully meeting you.
