Hello Sukhi,
I have Minister Travena confirmed for Friday on Red @8:35 am and would now like to book the other radios as well.
KRPI has a dedicated segment at 8:12 and therefore cant do the interview then. It will have to be 9:12 am.
I can try to pitch her on Spice at 9:30 or 9:45 am.
Please send me her availability in accordance with the above time slots so that I can go ahead and book her.
Thanks

Hello Mayor Simpson,

On behalf of Minister Trevena, I am reaching out to offer any assistance needed with preparing a 2019/20 BikeBC application in time for the February 18, 2019 deadline.

I cc'd the Quesnel Director of Development Services who is aware of the opportunities that BikeBC can provide. Including offering 75% cost sharing on eligible projects for communities with a population under 15,000.

You may contact me at any time with any thoughts, questions or concerns as you explore options for enhancing cycling infrastructure for your community.

From: MoT CYCLING TRAN:EX
Sent: Wednesday, December 12, 2018 3:46 PM
Subject: BikeBC Program – 2019/20 Application Intake Open

This notification is being sent using bcc to local governments and First Nations who may be eligible to apply for cycling infrastructure funding through the BikeBC program.

The BikeBC application intake for the 2019/20 fiscal year is now open and submissions will be accepted until February 18, 2019 at 11:59pm.

Following the program renewal last year, the following revisions have been made:

- Cost-shareable project items have been expanded to include cycling end-of-trip facilities/amenities and upgrade projects.
- It is now a requirement to submit a Cycling Network Plan as part of the application.
- Communities with populations of less than 15,000 that do not have a Cycling Network Plan are eligible to apply for cost-sharing of up to 50% (capped at \$50,000) towards the cost of developing one.
- Applicants with projects applied for in the 2016/17 fiscal year or earlier that have not completed construction and submitted final claims to the Province prior to February 18, 2019 are not eligible to apply to the BikeBC program for funding during this intake period.
- A Community Consultation Summary is now required in place of Letter(s) of Endorsement.

Please carefully review the program guidelines prior to completing the revised application form(s). Details on the program including the 2019/20 application form(s) can be found at [BikeBC](#).

If you have any questions, please do not hesitate to contact the program at MoTCYCLING@gov.bc.ca or by telephone at 778-974-5469.

Hi to all – here are our updated INs for the spring binder:

- Highway 97 – Boucherie & Westlake intersections
- Pattullo Bridge Project – Construction & funding
- Pattullo Bridge Project – Surrey Infrastructure
- Squamish MP2 Rail Maintenance Facility

And 1 new IN for the binder...

- Inland Ferries – Kootenay Lake – Bottom contact

Please update your records accordingly.

I will start sending out these updates daily as required.

Thanks!

Subject: Brief Interview Request

Dear Minister,

I am Jianding Bai, a reporter from *Vancouver Island Weekly*, the first and only Mandarin publication operating on the Island. Although we are based locally on the island, we do distribute our stories and reports online via our partners in Vancouver so that our readership covers almost all the Chinese communities in BC.

We plan to launch a special issue of our magazine on real estate in March, with an aim to give our readers a general picture on how recent infrastructure projects in BC work for a livable community.

If possible, could I have a brief interview with you either by phone or via email to discuss a few relevant questions, mainly on the current development of infrastructure especially related to dwelling environment quality?

Looking forward to hearing from you.
Many thanks,

Subject: MCT availability for media

Hello all – just looking ahead to the procurement announcements this week, and want to make sure MCT is available if needed for reactive media. The timing for announcements is:

- Wed (3:15pm TBC) - Illecillewaet IB
- Thurs (1:30pm) – Pattullo IB
- Fri (1pm) – Broadway NR

We'll triage media calls. In some cases messaging or a statement attributed to MCT might suffice. But if they're heavy on CBA, or political in nature, then MCT will need to respond. Could time be set aside in MCT's calendar to do reactive media on those days?

Thanks,
Dave

Subject: Mining Day at the Legislature Invitation

Mining Day at the Legislature is taking place on February 25, with more than 50 representatives from BC's mining industry coming to Victoria to discuss the issues impacting this important sector.

All Ministers and MLAs are encouraged to attend the 2019 Mining Day at the Legislature in order to meet directly with senior representatives from British Columbia's major mining companies, advanced projects, and mining supply sector.

The B.C. mining industry is foundational to the province and represents \$11.7 billion in economic activity, 30,000 direct and indirect jobs across all regions of the province, and more than \$859 million in contributions to governments, supporting B.C.'s childcare, education and healthcare services.

Meetings can be confirmed by email to kalyx@nnwcommunications.ca.

Wow - didn't think you'd write it! Do we have names?

On Feb 6, 2019, at 22:45, Beale, William TRAN:EX <William.Beale@gov.bc.ca> wrote:

1. Individual note to staff (Mike Lorimer or Paula Cousins would need to supply list of names)

I would like to take a moment to say thank you for all your hard work, as well as that from the entire team, to have Highway 97 reopened as soon as it is safe to do so. I know a task of this magnitude requires a complete team effort, and that rock blasters and scalers, geotechnical engineers, traffic control personnel and many others including the maintenance contractor are not only working on an unstable rock fall, but are doing it day and night, during freezing cold conditions.

I appreciate the work you're doing, and understand the toll this is taking. Maintaining safe highways for the people of B.C. is crucial, and we are all lucky to have such dedicated professionals taking care of us.

Or...

2. Broader note to ministry:

On Thursday, January 31, a significant rock slide occurred on Highway 97 north of Summerland. While the road initially remained open to two lanes of traffic, more rocks and debris came down over the next two days, completely closing the highway. This was a big rock fall event, with nearly 6,000 cubic metres of rock and debris coming down – that's more than enough to fill two Olympic-sized swimming pools! The highway has now been fully closed for

five days, and the site remains too unstable to safely remove the rock and get traffic moving again.

I would like to take a moment to thank all the people that are doing everything they can to have the highway reopened as soon as it is safe to do so. This includes the maintenance contractor, rock blasters and scalers, geotechnical engineers, traffic control personnel and many others. Not only are they working on an unstable rock fall, but they are doing it day and night, during freezing cold conditions.

While they may feel like this is a “thankless job”, that’s definitely not the case for myself and the rest of the staff at the ministry. We appreciate the work you’re doing, and understand the toll this is taking. Rock scaling and blasting are treacherous jobs at the best of times, but with a slide of this nature, these workers are really going above and beyond.

Maintaining safe highways for the people of B.C. is crucial, and we are all lucky to have such dedicated professionals taking care of us.

Thank you Shruti – I confirmed with the MO yesterday just be sure and we're good.

We have a news release scheduled to go out February 14th about the Pattullo Bridge. You mentioned that you'd like to connect with RedFM one day before the interview and give them specifics.....that is okay....as long as it's after the NR goes out (time pending).

We're okay to schedule the minister for the other two radio stations too on the 15th.

Sukhi

Hi Sukhi,
I have sounded off Red about the 15th, didn't tell them much but indicated that she would like to talk about transportation issues. They were curious but are ok to have her on. If you are absolutely sure about the 15th, I will go ahead and confirm.

So, James responded about a second after I send this email!

YES, please go ahead and schedule Minister Trevena for all three stations on February 15th.

Thank you,

Sukhi

Hi Shruti, thank you for the quick response this morning.

I'm waiting for the MO to respond back on approval for KRP1 1550 and Spice Radio.

I'll be in touch as soon as I hear back.

Thanks,

Sukhi

Sure, this can be done, but I will let them know a day before, otherwise they will prepare all general transportation questions and this will get buried.

Could she also do KRPI 1550 and Spice please.

Note: red fm host Harjinder Thind might be on holidays and someone else covering for him.

Shruti

Hi Shruti,

Our MO is hoping to have Minister Trevena on Red FM the morning of Friday, Feb. 15, and we'd like your support in setting this up.

Hi Will and Melanie,

Please find attached the documents for our ATS briefing this afternoon at 5pm. Unfortunately our building has been evacuated and we are unable to print these so I wanted to ensure you have the materials.

Thanks,
Andrew

Subject: Materials for MO meeting

Hi Andrew,

I attach the revised slide deck and Consultation Strategy document for tomorrow's MO meeting. I have marked both with "Confidential – Advice to Minister" as Deborah requested.

I will bring along the forum schedule with venues if we're asked.

Please let me know if there's anything else we need for the discussion.

Thanks,

Dean Murdock | Project Manager, Active Transportation Strategy
