Subject: For consideration - TransLink - New Mobility Forum - January 7th 2019

Hi to MO - This is something that we could look into next week.
TransLink has let us know about a forum they are hosting on January 7th on "new mobility".
I spoke with the TransLink comms rep and he let me know the topics are centred around:

- *government approach to new mobility options
- *challenges/opportunities that technological innovation are bringing
- *how transit opportunities are affecting traffic – and how that in turn is helping to create smarter, more functional communities
- *how ride-hailing fits into the picture – synopsis on ride-hailing for BC

I let him know that Minister Trevena is not available in early January, but we can see if an MLA could stand in for her.

Can you let us know if there is an appropriate MLA that could attend & speak at this one? (Apparently MLA Bowinn Ma is also not available on this date)

If an MLA can go, we can write the speaking notes for it.

Thanks!!

One more suggestion from Kevin:
South Island Multi Modal Transportation Plan and an update on our current projects (McKenzie/bus lanes).
