Hi Marvin,

I hope all is well and you are looking forward to getting “back” to the Leg next week.

Since Estimates is going to be somewhat different than usual I wondered if you could share with us the topic order for your questions so the Ministry can make sure that the correct people are available on any given day.

Thanks and see you next week.

Claire

Hi Lea,

If Grant did not make any changes then the current version is the one dated June 22V02. I have enclosed a copy of the s.12 in track changes that depicts all the changes since the Minister originally reviewed.
