What is the current plan for 4-laning the TCH through Sorrento and east to Tappen. I have heard rumours of a bypass through Notch Hill?

Dear^{s.22}

Thank you for your email dated June 27, 2020. I have been asked to respond to your email. Currently there are 2 four-laning projects on the Trans Canada highway, between Chase and Salmon Arm, that will be starting construction this year. These are the Chase Creek Road to Chase West and Salmon Arm West 1st Ave SW to 10th Ave SW. At this time, there are no plans for four-laning through Sorrento. Please feel free to visit www.bchwy1.ca for current information on Trans Canada Highway four-laning projects.

Thank you for your interest,

Erin Johnston, B.Comm
