DEPARTMENT OF INDIAN AFFAIRS
CANADA

Ottawa, 29th March 1933

Sir,-

Your ref.No.4767-10

With reference to departmental letter of the 10th instant and your reply thereto dated the 16th, I beg to refer you to Section 7 of the McKenna-McBride Agreement, which provides that, "the lands comprised in the Reserves as finally fixed by the Commissioners aforesaid shall be conveyed by the Province to the Dominion." In the Agreement between the Dominion and the Province, dated the 22nd day of March, 1929, the form of the proposed conveyance is agreed upon and contains a proviso that the Province may assume any part of the lands conveyed required for making roads, canals, etc., not exceeding one-twentieth part of the whole. No such proviso has ever prevailed with respect to the Indian Reserves in the Province of British Columbia up to the present time, nor does this proviso, in the opinion of the Department, prevail even yet until the proposed conveyance has been formally made. Even when made it will convey only the Reserves as finally fixed by the Royal Commission. The Reserves as finally fixed do not contain the cut-offs. The cut-offs are not Reserves and are not to be conveyed to the Dominion, and do not accordingly come within the said proviso.

APR 1 1933
