Hi Elena,

I'm advised a red sedan was allegedly travelling eastbound in the westbound lanes (i.e., wrong direction) when it collided with a tractor trailer heading westbound on Highway 91. No serious injuries. Early indication alcohol may have been a factor. 2 of 2 Westbound lanes closed with a detour available via the Westminster Hwy exit. We are starting to see queuing back to the Hwy 91/91A interchange. Tow trucks are on-scene. Estimated opening is between 1030am and 12pm Noon.
