

CBA Workforce Equity Stats Across All Projects

Reporting Period: from 7/8/2019 to 12/31/2021

This CBA Workforce Distribution Report provides the headcount and hours across all BCIB projects, by equity or priority hiring status.

The headcount and hours reported for the CBA Employees comes from BCIB's Payroll System (PeopleSoft), capturing data from the start of projects through the end of the most recent Fiscal quarter, or the end date of a project if it is complete. This report is updated quarterly.
