Hi Hailey,

We'll sort this out with the reporter. I think this falls to Emergency Management and Climate Readiness.

Thanks,

Glen

Hello Minister Cullen,

My name is Zac Delaney, and I'm a reporter with the Revelstoke Review. I'm working on a story about the Box Canyon log jam on the Illecillewaet River east of Revelstoke. The removal of the log jam has been an ongoing struggle for the city since it formed, including issues getting help from the province to remove it.

Given your role as Minister for Water, Land, and Resource Stewardship, I was hoping to speak to you about the situation, and where the province stands on it.

Let me know if you have some time to talk. My deadline for the story is relatively short, as we have to go to print at the end of the month.

Thanks,

Zac
