To Whom it May Concern,

I, **s. 19, s. 22** inspected and examined the facility, housing and animals at **Blackcomb Dog Sledding** situated at the Callaghan Valley, on **Wednesday, 15th of May, 2019**.

Each healthy animal received a Distemper/Parvo Virus/Adenovirus vaccine (DA2PP) on May 15th, 2019. This is a 3 year vaccine and needs to be repeated on **15th of March 2022**.

Please see attached list of animals examined.

The housing for the dogs are in good condition with individual dog houses, the majority housed in pens, some on tether which meet code standard. Clean drinking water readily available for each dog, and diet consists of a healthy balance of kibble and raw food.

The dogs are featured on short lines as they are prepped for work. They are well socialized and very minimal opportunity for conflict.

Upon examination of the dogs, it is obvious that each of them is well muscled and have good body condition scores, well hydrated and their coats are in excellent condition.

Jaime Hargreaves of **Trappers Run** has exceptional skills and training in the management of **Blackcomb Dog Sledding**. The conditions of the facility and animals under her care are, in my professional veterinary opinion, up to standard.
