Baggage fees are charged in Canadian (CAD) dollars for flight departures out of Canada; baggage fees will be converted and charged in the local currency of the departure country. GST is charged on all fares that originate in Canada. Please see <https://www.westjet.com/en-ca/flight/fees> for more information.

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty) as well as a carrier's own contract of carriage or tariff provisions may be applicable to the entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information, please consult your airline or insurance company representative.
