**Checked baggage dimensions can be within 158 total centimeters (62 total inches) and not weighing more than 23 kilograms (50 pounds). Baggage exceeding the size or weight allowance is subject to applicable oversized weight and size restrictions and fees.

Baggage fees are charged in Canadian (CAD) dollars; for flight departures outside Canada, baggage fees will be converted and charged in the local currency of the departure country. GST is charged on all itineraries that originate in Canada. Please

see <https://www.westjet.com/en-ca/flight/fees> for more information.

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Data Protection Notice: Your personal data will be processed in accordance with the applicable carrier's privacy policy and, if your booking is made via a reservation system provider ("GDS"), with its privacy policy. These are available at <http://www.iatatravelcenter.com/privacy> or from the carrier or GDS directly. You should read this documentation, which applies to your booking and specifies, for example, how your personal data is collected, stored, used, disclosed and transferred. We recommend the purchase of travel insurance. Tickets are non transferable.

Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.

Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection.

Please notify us immediately if you do not plan on taking your scheduled flight(s). If you are unable to change or cancel your booking online, you can reach Air Canada Reservations at 1-888-247-2262 (for international and other numbers, visit www.aircanada.com/othernumbers).
