With the volume of phone calls, emails, changes and resends that are required, I would like to ask for extra help in order to keep up.

Would it be possible to have someone either take the phone messages and reply/respond to them, or to resend the invites and make the changes that are needed in the db, etc?

I still have a large volume of calls to listen to on voice mail and follow up on yet today.

Thanks,

Florist recommend white with a touch of greenery either a small leaf or a blade of grass looking leaf as in the picture sent in today. If we tell them by 0900 tomorrow they will be ready by 5:00 pm and staff can take them by ferry Friday am. For the BC Grown we are limited.

Peruvian Lilly (alstroemeria): **Grown in Victoria,(Saanich)** Native of South America.

- Symbolizes friendship and devotion, lasting bond throughout life's twists and turns.
- These flowers send a message that is profound in its authentic simplicity.
- Peruvian lilies symbolize both a lasting friendship and everlasting love between the person who gives the flower as a gift and the recipient.
It is also thought to symbolize good fortune, prosperity and wealth and is sometimes presented as a wish for good luck in new business ventures, projects and significant changes in a friend's or loved one's life.

Other option:

Freesia (): **Grown in Langley.** Origin Africa

- Freesia are said to symbolize innocence and friendship. It epitomizes grace under pressure
- Freesia flowers convey a variety of meanings, including friendship, innocence, thoughtfulness, perseverance and being high-spirited
- White freesias are considered the most fragrant (allergies?)

Roses are also grown in Saanich but are the full bloom variety....large and heavy.

Hi everyone,
A bit more information regarding tomorrow's event.

The front 2 rows of seating will now be for the Premier and Executive Council Nominees. The front row should have 11 seats and the second row should have 8 seats. The second row should have an indent on the stage right side behind the first seat in the first row. We can shift as necessary during set up tomorrow.

Next update. The second podium needs to be off the stage. Makes sense to be Stage left. The main podium, cherry wood with crest, needs to be placed centre stage after the band finishes and before the entrance of the Premier and Executive Council Nominees.

After the Premier speaks and all the Executive Council Nominees have been announced, she will step back and join the first row of people standing behind her. The Msgr Gregory Smith will give an interfaith prayer and the program will conclude. At that time the cherry wood podium needs to be struck so that the family photo can be taken.

Lastly, we need to put the numbers on the stage tomorrow which will let the Executive Council Nominees where to stand. Please advise on the best method for doing this? On brightly coloured gaffe? Or? I have some hot pink that I can bring. Just let me know. The numbers start from the second row stage left with number 1 proceed up to 10. 11 is the first position in the front row stage right ending with 20 in the further stage left position in the first row. We will make sure we get this right in the morning.

John, are you able to bring a small pop up tent for emergency purposes for the Avail location? I think Proshow has some?
Alternately the tent company has some smaller ones that we will not be using in the stage area tomorrow. They are just harder to set up.

A huge THANK YOU to everyone for all your hard work and wise counsel for this event!
Tara

Thank you for the invitation to attend the Executive Council Announcement. Unfortunately I cannot make it to Vancouver for this event. I would be pleased to attend the formal swearing in ceremony in Victoria if that is possible.

Attached are JPG, PDF and EPS files. The EPS can easily be "Inserted" into a Word file and will give the best reproduction.

Hi there. I have incorporated all the suggestions. I've made three versions – 1 for just invitee only, 1 for invitee and a guest, and one for MLAs-elect who can bring 5 guests.

As discussed with Jennifer, if we approve this on our 2:30 call we will start sending invitations out to the following.

Please confirm we can send invitations to these categories once the invitation is approved: s 13

- Liberal MLAs-elect,
- others in blue on Tara's excel sheet (with a guest)
- Deputy Ministers
- Consular Corps members
- Mayors / regional district chairs
- Staff list from Tara

- BC MPs, s 13
- BC Senators,
- BC Judiciary, s 13
- Crown Corps and Agencies (CEOs, chairs, presidents) s 13 Also please show list to Tara
- Former LGs, s 13
- Former Premiers, s 13
- University Chancellors and Presidents, s 13 and colleges
- Legislative Officers – s 13

- OBC - s 13
- More from Tara's list coming
- Premier's list/family – s 13

Hello,

Further to our telephone conversation of this a.m. please find attached a brief roll-out of the event.

The Honourable Christy Clark will be announcing the next Executive Council of British Columbia in Vancouver on Friday June 7, 2013.

The Premier would be honoured if the Most Reverend Michael Miller would accept to deliver the interfaith closing to the event. If the Archbishop agreed, the time reserved would be approximately 3 minutes. We would require that he arrived at 1:30 p.m. at Hall C at the Vancouver Conference Centre (East), 999 Canada Place, Vancouver. The formal part of the event should be completed around 2:45 p.m. and will be followed by a reception in Hall C or at the Pointe (outside venue adjacent to Hall C).

1:30pm	Archibishop to arrive at registration desk (NB: a short walk from street address) More info to come if accepted.
2:00pm	MC (person TBC – groundlevel, stage left) welcomes crowd and signals event start by announcing FN blessing and national anthem.
2:01pm	FN Welcome (person TBC)
2:04pm	O Canada (Lisalee Campbell)
2:05pm	MC announces arrival of Premier.
2:06pm	Premier and Executive Council enter. Premier proceeds to mic on stage, Executive Council into assigned seats beside stage.
2:08pm	Premier gives opening remarks.
2:12pm	Premier introduces the Executive Council, one by one. New members called to stage and flank behind Premier.
2:38pm	MC calls upon religious leader (person TBC) to provide an interfaith closing.
2:41pm	MC provides final words and thanks everyone

Hello Brenda,

Thank-you for your response.

Not Responsive

I am simply inquiring how or who entered my name of the invitation list. Was it one of Minister
s 22 assistants with whom I have had contact.

I am trying to re-arrange my schedule because of the short notice and will advise.

Thank-you

Now that guest registration is moving to the delegate concourse (hallway), we need to let Christine know where you would like the laptop/printer table setup so we can make sure we have a power outlet. Please have a look at the attached map and let me know your thoughts. Also, we will not be able to have stanchions for the registration tables.

We are hoping to use a corner inside Hall C for guest registration instead of the hallway outside which I think will work better for flow of guests. We would still have media registration outside Hall C in the hallway using the 2 tables and chairs for media.

No problem!

The event is Friday June 7 and it is the announcement of the next Executive Council (to be), they will be sworn-in on Monday June 10 in Victoria. So terms like MLAs or Ministers are not appropriate just yet. If you are writing something and want to run it by us prior to the event we could verify that it is correct from that point of view. We will send you the formal invitation so that you have a small map. Please note that parking will be at a premium as there will also be two cruise ships in town.

We are expecting over 1200 people to attend. Are you familiar with the site??? Canada Place, the Vancouver Conference Centre (East, old one) Hall C is one of the three room under the "sails". The Pointe is the "deck" adjacent to Hall C, at the North end of the complex, next to the Offices of Port Metro Vancouver (former I-Max Theater) . A bit of a walk from the street....

Have a pleasant evening and thank you again.

The message should be described as a: Non-denominational invocation: asking the creator to bring strength, wisdom and fortitude to the next Executive council as they are preparing to exercise leadership and make decisions that will guide the future of our province.

Hello,

Further to our telephone conversation of this a.m. please find attached a brief roll-out of the event.

The Honourable Christy Clark will be announcing the next Executive Council of British Columbia in Vancouver on Friday June 7, 2013.

The Premier would be honoured if the Most Reverend Michael Miller would accept to deliver the interfaith closing to the event. If the Archbishop agreed, the time reserved would be approximately 3 minutes. We would require that he arrived at 1:30 p.m. at Hall C at the Vancouver Conference Centre (East), 999 Canada Place, Vancouver. The formal part of the event should be completed around 2:45 p.m. and will be followed by a reception in Hall C or at the Pointe (outside venue adjacent to Hall C).

Hi all,

Just wanted to provide a heads up. I called Lisalee's family today just to make sure they knew that the letter was coming and so that they had some further details for Friday.
They are very excited as is the whole town of Clearwater.

The new news is that they are a family that includes 2 children and 2 parents and they would not want to miss seeing Lisalee sing at this special occasion. So they are all driving down on Thursday night.

S 13

They will let us know everyone's names so we can have name badges for them. I will also see what we can do regarding seating.

I also let them know that we will have a media release for them to sign as Lisalee is a minor there will be media at the event.

Thanks,

Tara

Hello Primrose

Is there an opportunity to get more than five guests for the Friday unveiling of cabinet if other MLA's are not present or have not filled their guest allotment?

Subject: UPDATE for Friday

Hi all,

We would like to proceed in the following manner:

We will do the event outside rain or shine. We are looking into having some tenting over the stage.

We will advise guests that part of the event will be outside so to dress accordingly.

We will have the screens in Hall C showing the event outside.

We will have all Food and Beverage set up in Hall C (there should still be some apples and a Quail's Gate display outside as well as inside if possible). If it becomes very nice outside, we may ask for some food to be passed at The Pointe, but all bars and food stations should be set up in Hall C. F&B service should start at 1:30pm and be paced out over the course of the event.

We would like to encourage a flow of movement between The Pointe and Hall C before and after the event.

Talk to you soon.

Many thanks,
Tara

FYI and review. The 4-page version is the best choice, however not sure about the Parliament Buildings photo. Maybe just have the coat-of-arms on cover page?

Subject: RE: Program

Good afternoon all ☺

Please find attached 2 different layout proofs for review/comments... Considering our extremely tight deadline, the 1st (4pg) option would probably be the best, as it all fits on one-piece of cardstock, and if the list of Ministers was delayed, we could simply make the back cover blank (with a coat of arms or dogwood graphic element), and have the list printed on an 5.5 x 8.5" matching card stock to the cover (single or double-sided) 1st thing on Monday morning, then could be loosely inserted in the program (no binding required) or even as its own stand alone handout... ☺ The 2nd (8pg) option has everything spread out to fill more pages like a booklet and would therefore require a lot more fiddling around if the list of Ministers is delayed, not to mention taking longer to print (more pages), require manual labour in bindery for assembly, but at least we could incorporate gold tassels to hold the pages together...

☺

The Prepress dept is done at 3:30pm, so we probably won't be able to do too much else today, so you might as well take the rest of the day/evening to review, but maybe we could get all your comments/changes back by say 8-9am tomorrow, so we can get it back into prepress when all the players are here... We'll also need to keep this in mind for tomorrow, so we should plan to get everything back by say 2:30pm, so we'd have at least an hour to make all the final changes in Prepress, and get a final print file before everyone goes home for the weekend... The night shift downstairs would be printing the final file to hopefully be all done by end of day tomorrow... Phew! ☺

Do not hesitate to call if you have any questions... Thx!

Hi Lucy,

I know we talked about having a special sticker on the name tags of MLAs –elects' guests, but realized we didn't say we would put a sticker on the name tag of MLAs elect. We need to do that as well.

We should probably have their name tags at the donor desk as well for quicker check in.

Thank you.

Media – solid green (Deb doing them)

All guests: blue bar at bottom of nametag, on black lanyard
Reserved seating guests: same as above but on yellow lanyard (and will either have a number written on them corresponding to a seat number or will just have a blue sticker on them indicating they need to get to the reserved seating area.)

All donors: yellow bar at bottom, on yellow lanyard (as they have reserved seats)

Staff: red bar at bottom

Staff leads (approx.. 10): same as above but on red lanyard (Deb bringing the red lanyards)

Just spoke to Tara about this:

The only people getting reserved seating are donors, VIPs as identified by the Premier's Office, and Premier's special guests as indicated. We aren't getting the list until the morning.

Guests of executive council to be and MLAs elect (who aren't part of new cabinet) are not getting reserved seats but Tara wants them to have another coloured sticker on their name badge so they get into the venue at the Point and don't have to go to overflow in Hall C.

Call me if this is too confusing.

Hi guys,

We are checking the list and it looks like the group i highlighted in red starting at 1854 have not been sent invitations. They do not seem to be on the RSVP list you sent earlier today.

Can you advise?

Thanks,

Tara

You are the lead of registration and I think best at this moment (considering time) to follow through on this final person for registration and get approval. As well, I will need their cell phone number once you have confirmed. Can you please let them know what time and where you want them to meet you.

Thanks so much,

Kelly Gossen has suggested Chris Heine from their JTST's ADM office over in Vancouver. I have a call back to her to ask what the best approach would be to get him – just left her a voice mail. Will let you know unless you want to ask directly. I know we went through Christine Little to get ok for Kelly, Annette and Ken.

Museum of Anthropology: June 6 is available but they can only accommodate about 300 indoors and that would compete with other things going on next week. Outside there is a tent on site that is owned by another group. They are checking capacity of it. We could bring in our own catering if we were outside. The Museum would still be open to the public. They don't close until 5 p.m.

Apparently BC Event Management had also called them about this.

Hi. Sorry, I didn't get a chance to talk to Marc-André about this. I also just spoke to Fort Langley based on a conversation I had with Tara.

An outdoor event there would work on June 6. But in case of rain they don't have enough covered space for that many people. Rate would be less than \$2,000. They have chairs for about 100 so we would need to bring in more. They have a small short stage 4 inches high about 8 feet by 16 feet. Catering could be brought in or we could use the on-site caterer. Possibly set up the night before. Buildings are alarmed so we could leave equipment there over night.

As discussed on the call, here are my thoughts on the different areas/components/blocks of this complex project. Ideally in implementation phase (now) some one should lead each of those(supervisors) and the supervisors can consult among each other and answer to one overall person.

Supervisors need to work from the same script and brief all their workers and in turn workers should know who to turn to if they have an issue.

This way we will avoid chaos, and people making wrong decisions . Smooth and successful is the m.o. This was just an exercise and is not exhaustive or limited. Pitch in if you have other thoughts. Some of these have already a person responsible for, we just need to put a name beside it. These items could also be grouped.

Over all coordination

Security: Liaison with Port Security and private agency and or Vcc security. Premier' s detachment

Registration: Liaison with staff(20/24 ppl) plus 1 or 2 troubleshooters and 1 decision maker.

Catering: liaise with CentrePlace and other suppliers.

Guests seaters, Escorts and ushers: may be ea and ma but we will need a Briefer and troubleshooter, may need more than one to respond to issues these people may have.

Tech Staff: Liaison with official Photographer, BCEvents and ProShow

Media: overall responsibility, opi for handouts, registration (how many tables and people) opportunity manager, moderator (Ben ?) liaison with Ben.

Premier: liaison with s 15 briefing material

MDesignate: liaison with them, opi for boardroom 103 a general briefing prior to event; parking area attendants (2) + escort to boardroom (split from guests)

Entertainment: chaperon for young singer and jazz band, would also manage the green room.

Port & VCC : liaison with staff

Finance and Hr

Other things:

Do we need stage manager?

Parents if the young singer should be seated.

MLAs not in exec council need to be seated.

FN rep and or dancers as well as faith rep need to be seated....

Building passes for supervisors and others that need them

Just some ideas. If f we have a person focus on each of these areas it should help.

This is moot as the deputies are no longer coming to the event on Friday. However if others are asking the event will be from 2 to about 2:45 p.m. followed by a reception.

Hi May. Apparently you were asking Manjit for e-mails for a few consular corps members to invite to the event next Friday afternoon in Vancouver. We are inviting all the members of the Consular Corps and have approval to send these out this afternoon. So I think you can probably delete them from whatever list you are working from.

Call me if you need more information. Thanks.

Could you get a list of college/university presidents? If you could put it in an excel sheet with first name, last name, name of institution and email address (four columns) that would be very helpful. And we need it ASAP.

We're on it too.

I personally feel 1300 at the Pointe is too crowded. (I had designed for 1000)
Yes, people can spread out to the "wings" east and west of the PMV offices but what if they start crowding in and it gets uncomfortable?
Since we are now resigned to the costs of an (oversize) overflow room anyway you might want to consider making it 1000 outside +800 inside?

Hi everyone,

Due to the overwhelmingly positive response we are getting from guests who will be attending Friday's event, we would like to make the following accommodation for overflow in Hall C for approximately 500 guests.

BC Event Management/VCC- An appropriate area will need to be draped off.

Proshow/BC Event Management- We would like to set up a screen (please advise on size and cost for one screen vs. 2 smaller screens) that will show a feed to the formal proceedings outside.

VCC- We would also like to have the appropriate amount of catering and bars set up in Hall C for the anticipated number of guests. This will come from the 1800 number of guests previously confirmed, with the split up as follows:
1300 for The Pointe and 500 for Hall C.

Many thanks,
Tara

I have completed the list, though I have a question with regard to the Public Agencies "categorization". Should they be listed in the DB as Crown Corporation, and if so, would they be CEO or Chairs, as some are Exec. Directors or Presidents?

Also, to keep you in the loop – this is what I found out re flights –
The flights on Orca at 12:00 & 1:30 are both full. They have added an additional flight at 11:30, but that surely wouldn't work.
KD Air has a flight at 11:30 also, but again, it is too early.

We will need to try to determine park availability by tomorrow morning. Can we also check the Orpheum (lower bowl) - Queen Elizabeth Theatre, or Centre for Performing arts?

Sorry, I meant to provide that!

The room at the Wall Centre is called the Grand Ballroom. It holds 1300 without any set up, so we could probably squeeze a maximum of 900 people theatre style once we have a riser (with a ramp) and screens, etc.

The other rooms we could use for the Premier and LG and Ministers Designate are the Port McNeil and Port Alberni rooms.

A few additional important details you may want to include MAO:

- Wall Centre-
 - o They only allow in house catering.
 - o One good thing is that they do have other meeting rooms available that could accommodate the Premier and LG's meeting as well as a holding room for the Ministers Designate.
- Vancouver Convention Centre –
 - o They only allow in house catering.
 - o Halls B (Capacity: 3500 Theatre style) and C (Capacity: 2500 Theatre Style) are

- available. They are in the East Building (older building closest to PVO). These are big exhibition halls and no carpet on the floor so the acoustics are not the best.

I believe when we were discussing the invitation on the call yesterday we said we would indicate the guest check in location as outside Hall C, but not specifically identify the event location. That way we can just direct guests to Hall C or outside to The Pointe and either way it won't seem like the location changed. Can that work?

One more thing. Can we say something to remind people that they need to walk a ways from the parkade? I think it will help to ask them to have checked in by 1:30pm.

Also if we can please say 'check in' instead of register. Sounds like people are signing up for something.

Can the Premier's name and the guest's name be the same size?

June 7th, 2013 at 2 p.m.

Hi there. I have incorporated all the suggestions. I've made three versions – 1 for just invitee only, 1 for invitee and a guest, and one for MLAs-elect who can bring 5 guests.

As discussed with Jennifer, if we approve this on our 2:30 call we will start sending invitations out to the following.

Please confirm we can send invitations to these categories once the invitation is approved:

- Liberal MLAs-elect,
- others in blue on Tara's excel sheet (with a guest)
- Deputy Ministers
- Consular Corps members
- Mayors / regional district chairs

These ones would still be on hold:

- BC MPs,
- BC Senators,
- BC Judiciary,
- Crown Corps and Agencies (CEOs, chairs, presidents)
- Former LGs,
- Former Premiers,
- University Chancellors and Presidents,
- Legislative Officers

Also still waiting for lists of First Nations and Labour Leaders

Thanks.

Hello,

Further to our telephone conversation of this a.m. please find attached a brief roll-out of the event.

The Honourable Christy Clark will be announcing the next Executive Council of British Columbia in Vancouver on Friday June 7, 2013.

The Premier would be honoured if the Most Reverend Michael Miller would accept to deliver the interfaith closing to the event. If the Archbishop agreed, the time reserved would be approximately 3 minutes. We would require that he arrived at 1:30 p.m. at Hall C at the Vancouver Conference Centre (East), 999 Canada Place, Vancouver. The formal part of the event should be completed around 2:45 p.m. and will be followed by a reception in Hall C or at the Pointe (outside venue adjacent to Hall C).

1:30pm	Archibishop to arrive at registration desk (NB: a short walk from street address) More info to come if accepted.
2:00pm	MC (person TBC – groundlevel, stage left) welcomes crowd and signals event start by announcing FN blessing and national anthem.
2:01pm	FN Welcome (person TBC)
2:04pm	O Canada (Lisalee Campbell)
2:05pm	MC announces arrival of Premier.
2:06pm	Premier and Executive Council enter. Premier proceeds to mic on stage, Executive Council into assigned seats beside stage.
2:08pm	Premier gives opening remarks.
2:12pm	Premier introduces the Executive Council, one by one. New members called to stage and flank behind Premier.
2:38pm	MC calls upon religious leader (person TBC) to provide an interfaith closing.
2:41pm	MC provides final words and thanks everyone

Hello Brenda,

Thank-you for your response.

Not Responsive

I am simply inquiring how or who entered my name of the invitation list. Was it one of Minister
s 22 assistants with whom I have had contact.

I am trying to re-arrange my schedule because of the short notice and will advise.

Thank-you

Please find Minister de Jong's guest below for Friday. Quick question, will they be receiving an invitation of their own or do we need to forward one to them? Thanks!

Cheers,

Mario

Hello,

The Consulate of China called, they have received 1 invitation to the June 7th event, but have not received the one for the Consul General.

Unfortunately neither of you were at your desks when I tried to transfer and then the call got cut off.

I think the caller said that the invitation received was for Mr. Xin Xao Jong (sp?).

Hopefully this is enough information for you.

Thank you,

Manley is unable to attend this event as he will be in Saskatchewan in meetings with the Saskatchewan Construction Association and government representatives regarding a regional approach to addressing the skills shortage within the industry. However I have asked our Board Chair and Secretary/Treasurer to attend on Manley's behalf. I will let you know whether one or both of them will be at the event.

Hi Lucy

Thanks, I will order another 2 tables for guest registration with chairs for each table. I have also ordered drape from Christine.

I just forwarded the draft signage which is being worked on as we speak. I'll send finals when they are ready.

Thanks,

Hi Deb. Thanks for this. Yes, 10 tables and we will need 2 more for our laptop, label maker etc. 2 chairs for each table. Can they do a drape behind or would we need to ask ProShow for that?

On signage just so you know the only discussion on the 3 p.m. call yesterday was the need for a sponsors sign at the very front listing who all the sponsors are. Melissa said we would need this for Thursday morning as that's when you need to go to print for signs.

Are you putting the dogwood logos on all the signage? We are using Andrew's for name badges too.

Thanks.

Hi Lucy

Further to our meeting yesterday, please see below re Christine Lee's email address if needed.

Christine Lee - clee@vancouverconventioncentre.com

I confirmed with Christine this morning that we would need 10 draped tables for guest registration and 1 table for media registration. I also confirmed that Marc-Andre had requested 10 lollipop stands for use in the guest registration area. With respect to signage, I have requested 10 easels but advised her that I would confirm our needs by tomorrow for setup in case we have any changes.

Do you want an extra table for the laptop/printer area for new name tags or were you thinking 9 tables for guest registration and 1 for the laptop/printer area for the total of 10?

Thanks,

Update from MARR – they are still working on the list. Sarah will keep checking in with staff.

As for mayors – I think if we do mayors/chairs of regional districts or their designate (deputy mayor or whatever). As for guests, I think we need to wait to see what our final venue is.

Also, about 50 of the 500 invites Gen sent last night returned with a "delayed send" message so we are having to resend those this morning to make sure they go through. Do you want to give us a time for getting a report to you and we will endeavour to make it as up to date as possible?

Subject: Name Tag and responsibility during event

Hi Lucy,

As discussed, Mary Dila is staying in Victoria tomorrow. Please make a name tag for Gabe Garfinkel (he will replace Mary in her role). Responsibility: name tag distribution in hallway at port offices to guests of EC-nominees and providing direction to seating area.

Thanks,
Melissa

Media – solid green (Deb doing them)

All guests: blue bar at bottom of nametag, on black lanyard

Reserved seating guests: same as above but on yellow lanyard (and will either have a number written on them corresponding to a seat number or will just have a blue sticker on them indicating they need to get to the reserved seating area.)

All donors: yellow bar at bottom, on yellow lanyard (as they have reserved seats)

Staff: red bar at bottom

Staff leads (approx.. 10): same as above but on red lanyard (Deb bringing the red lanyards)

Just spoke to Tara about this:

The only people getting reserved seating are donors, VIPS as identified by the Premier's Office, and Premier's special guests as indicated. We aren't getting the list until the morning.

Guests of executive council to be and MLAs elect (who aren't part of new cabinet) are not getting reserved seats but Tara wants them to have another coloured sticker on their name badge so they get into the venue at the Point and don't have to go to overflow in Hall C.

Call me if this is too confusing.

Evening Genevieve,
No cost for the support!
All support during business day and all is definitely included. As long as it is for Premier's offices (including IGRS and Protocol). Evening and oncall support is too. (7am-8pm)
Onsite for a whole day weekend or holiday may be where some compensation is up for discussion.
We can talk more next time I see you.

Will be onsite to help out.
Let me know location and will see you there.
:)
Have a good night.
David

Hi David, we would love to have the support/security of having VIP support but not absolutely necessary as we will have one computer and printer. I'm saying this clenching my teeth thinking about something going wrong with our laptop while trying to register 1500 people for a Premier's event. Would there be a cost for us for having you over in Vancouver? If not, it would be ideal if you were in the area between 12:30 pm and 2pm.

Good morning Genevieve,
I see the Premier will be holding the new Cabinet announce event in Vancouver on Friday.

Is your office running the event?

Our team can be onsite for any technical support - with all the technology, smartphones, ipads and more etc I recommend the support.

Business attire of course. If agreeable, what time would be good to be there for helping out?
Thanks,

Hello everyone. Thank you for being available to work at this event tomorrow. A lot of us are coming over from Victoria on the 7 a.m. ferry and should be there by 10 a.m. Our protocol team will then be setting up registration, taking some name badges to PVO and getting people familiar with the layout of the venue, etc.

Could I ask everyone to meet at 12:00 at Hall C, Vancouver Convention Centre for a full briefing on registration and the rollout of the event. I would like registration to be ready for 12:30 in case we have some early arrivals. Guests are invited to check in between 1 and 1:30. The event starts at 2 p.m.

Please note we are advising all the guests that some of the proceedings will take place outdoors and to come prepared for the possibility of rain. There will be indoor facilities for hospitality and to watch the proceedings for those guests who wish to avoid any rain.

Thanks very much and please let me know if you have any immediate questions or concerns.
Thanks see you tomorrow.

Replace the existing name with the new one and type in the notes that this is an alternate for the person we first invited. Except for the one that retired. That's was an error on the invitation list so you can just type over. OK?

We should include something about the event being webcast to the invitation so people know they can watch if they are not able to attend in person.

I wanted to put that out there so we can discuss at the 2:30pm meeting.

Perhaps the government website homepage address would go on the invite: www.gov.bc.ca or the newsroom: <http://www.newsroom.gov.bc.ca/> and on the day of the event have a link to the webcast there.

Hello,

The people listed below were indicated as “not attending” but the number attending field still had “1” so I’m assuming that they may have rsvp’d attending and then cancelled and the number attending field wasn’t updated so I changed it to “0”. The notes field doesn’t indicate who entered the rsvp so if any of the names ring a bell for you and my assumption isn’t correct, can you please update the db if incorrect?

Hi Brenda,

Thank you so much for being flexible with your schedule and for updating the database. While doing so please include phone numbers as we have had to resort to telephone invitations in the past. The Premier's Office will be sending us more names to be imported into the database so we will be doing an email merge for approx. 2000 invitations.

For any ceremony/event, it is best to have as much contact information as possible. This includes Name, Title, Organization, Address, City, Province, Postal Code, Telephone, Fax, and email. As you probably noticed from the Consular Corps Briefing and the francophone events, most invitations from our office are emailed/faxed. The Long Service Awards is probably the only event that we send invitations by mail. Please don't worry about it if you can't get all this information from one source. It is ideal to at least have email/fax and phone number at a minimum. The other information can be updated as needed.

When working on projects, it is best to get direction from the manager that you are working with on the project including expectations of overtime. If or when you have difficulties with the tasks that have been assigned you by a Manager, I'm here to guide you. From our conversation at the end of day on Tuesday, you wanted advance notice on when overtime is required. Yesterday, I provided you with information about the projects to be delivered on June 7th & 10th and advance notice to expect overtime over the next 2 weeks but now, after our discussion with MAO, it is confirmed until June 7th.

We are hoping to get the invitation list today, start sending invitations tomorrow and we may need to work on Saturday to complete but it just depends on the quality of the data we get from the PO and how quickly the process goes tomorrow.

For the day of June 7th, it will be a regular day at work but just working in Vancouver. In order to avoid overtime for that day, it may be possible for you to fly home

s 22

s 22

Please let me know if this is your intention and the cost so MAO can approve.

Please let me know if you have any further questions😊

Genevieve

Gen,

I just chatted with Lucy on some of the Swearing In details and she stated that the invites will go out by fax or email, not to mailing addresses.

Since I was unaware of this, thinking that they may also be mailed, the current list of 394 invitees in the database will require a fair bit more research and attention to find the required information. I will work on that today in preparation for the send out of invites tomorrow.

Just to clarify our conversation yesterday, with regard to extra hours of work expected on the project, I believe that you said that I am on standby for overtime from today until the Swearing In on the 7th. Can you please confirm that my understanding of our conversation is correct? As I mentioned yesterday

I managed to say this to a few people in person, and I hope I haven't missed anyone.

Thank you from the bottom of my heart for the monumental effort it took to put this event together. From the invitations to the RSVPs, to the name tags and event registration. I know there were a number of very late nights and people working last weekend.

By all accounts, the event a great success and that is in large part because of all your hard work, professionalism, and expertise, not to mention patience! I could not have asked for a better team to work with on this event.

Thank you again and I hope you have a great weekend!

Hi there. Just so you know rather than trying to stuff 1,800 name badges on the ferry while we are eating breakfast tomorrow morning, or doing it in the hallway where our registration tables will be outside Hall C, Kelly Gossen has kindly arranged for us to do it in the seminar room at JTST, suite 730 at Canada Place. So when the Victoria IGRS/protocol people arrive at VCC around 9:30/10 several of you will be asked to go there to stuff name badges. The ones for the Premier's Office staff will be pulled out and taken over to PVO.

Some other people will be asked to unpack the other supplies to set up the registration area with computers, supplies, signs, etc.

Just so you know.

Thanks.

Please see attached for your duties with singer/1st nations/faith rep.

Helen, Green room for band and singer is VCC meeting room 7. BCEM handling the band. Singer asked to come for 1 p.m. She is 11 will be coming with parents and 2 siblings. Not sure what Tara told her but I would think one parent can be with her and others and kids go to event location.

Annette: 1st nations and faith rep don't need to go to green room but you can just show them to their reserved seats then come back to help at reg. they have both been asked to come for 1:30.

Let me know if you need any other info. The relevant people have your cell phone numbers.

Subject: Update
Date: Thursday, May 30, 2013 7:41:31 AM

Hi Marc-Andre,

Latest update is we are working on a way to do the event completely outdoors even with float plane/helijet noise....

We are meeting outside this morning with Proshow and BC Event Management at 9:30am.

This will affect what is on the invitation. Port Metro Vancouver's address is 100 The Pointe, 999 Canada Place. We should maybe put a note about guests allowing themselves a few minutes to walk there from the parkade.

Thanks,

Tara

Subject: Your immediate assistance appreciated!!
Date: Wednesday, June 5, 2013 12:52:19 PM

Colleagues, further to Pierrette's email this morning, we would greatly appreciate any help we can get this afternoon in placing phone calls to follow up on outstanding RSVP's for Fridays event. If you are able to lend a bit of time to help, please see Genevieve ASAP. There are a large number of guests to call, and so more hands will make this achievable.

A list of people to call, and a script to follow will be provided.

Thanks for you help!
