Dear David:

As Premier of the Province of British Columbia, I am very pleased to announce you have been nominated by me to receive the Queen Elizabeth II Diamond Jubilee Medal in recognition of your contribution to building our province. The medal is a commemoration to Queen Elizabeth II, as we join in the celebration of her 60 years as Queen of Canada.

Granting honours such as the Queen's Diamond Jubilee Medal is a tangible way to honour Her Majesty for her service to this country. At the same time, it serves to honour significant contributions and achievements by Canadians. This past year has been a very exciting and proud occasion for Her Majesty and her family.

I would like to invite you to attend one of the upcoming ceremonies to receive your medal. The first presentation will take place on **Thursday, January 31, 2013 at 10 a.m.** at the Oceanview Suites 5-8, Level R, Pan Pacific Hotel in Vancouver. The second will be on **Tuesday, February 26, 2013 at 3 p.m.** at the Parliament Buildings in Victoria. If you are unable to attend one of these ceremonies, you may elect to have your medal mailed to you. Please RSVP by Monday, January 28, 2013 as per the attached invitation.

Congratulations for being selected as a recipient of the Queen Elizabeth II Diamond Jubilee Medal. I hope to see you at an upcoming ceremony.

Sincerely,

Christy Clark

Hi Jordan,

Thank you for your e-mail. Not a problem, it is confusing with the Premier because she has so many different allotments. May sent me a list of 4 names yesterday and I entered all of them into the Governor General's Portal however one nominee, **Not Responsive** has already been nominated by another partner therefore we require one alternative nominee to be provided. I believe May was going to speak with Gabe ASAP to get an alternative name.

Having said that, the Governor General's office takes approximately 10 business days to process and mail us the certificates directly to our office. We then check them over and send them to the constituency office. We have been giving constituency offices the timeline of 5-6 weeks from the date we receive the nominations and enter them to the time they receive them in hand (we didn't receive the full details for the nominations until yesterday afternoon at which point we entered them right away). Having them for December 13th is tight timing but may be possible. The unfortunate part is we cannot speed up the process on the Governor Generals end but once we receive the medals and certificates, if needed I'm sure we can arrange a courier to deliver the medals and certificates rather than using regular mail to accommodate the presentation date.

It is crucial if Premier wants to present to all four nominees that we get an alternative name right away so they will all come in time, otherwise the final nominee may be late. Perhaps you can also be in contact with Gabe or May to remind them of this.

I hope this information is helpful, if you have any further questions, please let me know.

Thank you.

Melanie Peterson

Hi Melanie,

My name is Jordan and I am a Constituency Assistant for Premier Christy Clark. We've spoken on the phone a couple of times about the Queen's Diamond Jubilee Medal. I understand that you've been in contact with my colleague May at the Premier's Vancouver Office. Sorry to have two different offices contact you but they are overseeing the selection of candidates while our office is in charge of organizing the presentation ceremony.

I'm writing you to find out what the fastest turnaround time would be to actually received the medal. Our ceremony is currently taking place on December 13th 2012 and is being hosted with 4 other MLA's so switching the date is not really an option for us. Is there any way that we would be able to receive the medals by then?

Any assistance on this would be much appreciated.

Thanks,

Manjit Khaira of IGR will be contacting you with regard to letters to our Cabinet Ministers containing information on how many medals they can give out or something like that. Once you get something from him, you might have to do a merge and send that to Kim for final approval and instruction on how to move forward [autopen or actual sig]. The addresses would all be room numbers in the Legislature.

The final product would need to be photocopied twice ... one set for us and one set for IGR.

To get ahead of the game, no harm in finding the database and preparing envelopes for each of our Cabinet Ministers.

Hi Gabe. With some help from people in my office and my spending the afternoon working with your list with the accomplishments fields filled in, which provided some context, we have been able to flesh out this list as per the attached.

The ones we still don't have e-mails for I managed to find an e-mail for someone who might have their contact information so I'm hoping we'll have those by Monday. Just so you know we plan to enter the completed ones into the Governor General's database asap on Monday. We'll enter the other ones as soon as we have the contact info.

Thanks.

Hi Alysia:

It was great meeting you today! I hope that our discussion about the Diamond Jubilee Medal program was clear and informative.

As per our conversation, please find attached an electronic excel spreadsheet for the Premier's nominations. These names must be submitted to our office by October 1, 2012. As mentioned, you may wish to send a few names at a time once they have been selected or send all 60 nominations at once. For reference, you will find attached the electronic version of the list of nominations received to our office.

I have also attached an electronic copy of the Premier's Executive Council nomination package.

In addition, please find attached the electronic excel spreadsheet that can be used to submit all Executive Council Nominations that the Executive Council Members will be submitting to the Premier's Office for final approval by October 1, 2012. The master list, of 57 nominations and 18 alternative nominations must be submitted to our office no later than October 31, 2012.

If you have any further questions or concerns, please don't hesitate to contact me.

Thank you.

Hi Gabe,

Genevieve just forwarded me this e-mail. To avoid confusion, I would like to clarify that you want the three names from the Premier's Executive Council submission (two of which are listed below) to be put on the Premier's list of 60? Would those three names then be three I can automatically enter in replacement of the 10 that we require due to duplicate nominations from other partners, or would you like to hold off and add them to the alternative list you are compiling of 10 names?

Thanks!

Dear Judy:

As Premier of the Province of British Columbia, I am very pleased to announce you have been nominated by me to receive the Queen Elizabeth II Diamond Jubilee Medal in recognition of your contribution to building our province. The medal is a commemoration to Queen Elizabeth II, as we join in the celebration of her 60 years as Queen of Canada.

Granting honours such as the Queen's Diamond Jubilee Medal is a tangible way to honour Her Majesty for her service to this country. At the same time, it serves to honour significant contributions and achievements by Canadians. This past year has been a very exciting and proud occasion for Her Majesty and her family.

I would like to invite you to attend one of the upcoming ceremonies to receive your medal. The first presentation will take place on **Thursday, January 31, 2013 at 10 a.m.** at the Oceanview Suites 5-8, Level R, Pan Pacific Hotel in Vancouver. The second will be on **Tuesday, February 26, 2013 at 3 p.m.** at the Parliament Buildings in Victoria. If you are unable to attend one of these ceremonies, you may elect to have your medal mailed to you. Please RSVP by Monday, January 28, 2013 as per the attached invitation.
